Our mission is simple and simply to make it easy for every partners to start their iGaming business with Mario Club.

Partners' responsibilities?

Market: Malaysia

- Throughout the marketing campaign, we will distribute all our leads to partners' website (that published in our partner page), at https://promo.marioclub.biz/coupon/panelList/MYR and to register an account to play Mario Club by themselves, or request for account manually via your live chat.

- GamingMario will provide the first level of support in educating the new player on how to redeem their coupon. At the same time, we do provide our partners all the details and instruction to guide the user to redeem the coupon.

- If the player loss all its free credit, we will recommend our partners to upsell the player for other promotion or deposit to continue to play Mario Club.

- If the player won and hit the required turnover of 10 times, the free credit will be unlocked to withdraw. GamingMario and the partner will share the payout accordingly to the PT. This is because all coupon credit is redeemed as in real money that we will then deposit back to our partners in 100%.
